Information for safety data sheets

Customer Information Letter

Dear Customer,

thanks for your interest in our product.

For receiving the latest version of our safety data sheets (SDS) for lubricants you just need to follow the link below and choose your required language:

<https://jr.chemwatch.net/outb/account/autologin?login=leybold>

If you have any questions regarding the safety data sheets, please do not hesitate to contact the following email address:

documentation@leybold.com

Yours sincerely,

Leybold GmbH
